

eFlash: Contractual Information for Partners

Phase-in | Introducing the M8 DeskPhone

EF-Phase-in-C189-EN – 2022-05-25

Effective date: 2022-06-20

M8 High-end SIP DeskPhone with large display and built-in Wi-Fi

Alcatel-Lucent Enterprise is introducing the new M8 Myriad High-end SIP DeskPhone, effective the 20th June 2022. The M8 DeskPhone offers high-performance and stylish design, with a 5-inch IPS display, built-in Bluetooth® and Wi-Fi chipset and is standard SIP compatible with mainstream SIP servers worldwide.

Product and services updates

Alcatel-Lucent Enterprise is pleased to announce the newly designed M8 High-end SIP DeskPhone, a major milestone in the ALE SIP device strategy for the open SIP market (third-party). The M8 is also part of the open SIP (third-party) solutions portfolio sold through ALE channels. The M8 supports rich SIP functions, combined with premium sound quality to deliver a superior user experience.

M8 DeskPhone key features:

Model	Key features
